

Cardiff Science Festival is coming to SRCDC

join in for free on **Sat 19th Feb**

There are two family friendly workshops

@Warehouse Hall

Work with scientists from the Cardiff University Otter Project to find out what happened to a dead otter and what more it has to tell us?

1 one-hour session
10:30 – 11:30am

@Wyndham Street

Sensors: From Animation to Rehabilitation

An introduction to and interactive demo of sensor research and technology with scientists from the SPIN Research Group, Cardiff University.

8 half-hour sessions
between 11am & 3pm

Booking essential, spaces limited, children must be accompanied.

Please contact Sharon on 07958 428648 to book your space
