We are looking for caring and compassionate people to join our Ty Enfys team and support young families to make changes to their lives. We work with young mothers and their babies preparing to move into their first home as a family. By building positive relationships and taking a 'work with' approach you'll help residents achieve their goals and take those next steps to independence.

At Taff we work in a Psychologically informed way and aim to build resilience in trauma affected people which can bring many challenging emotions. We consider it a privilege to work closely with young mums in their home; it allows us to build positive and meaningful relationships that allow us to tailor the support to the needs of an individual.

On-site parenting workers work alongside support staff allowing our approach to be both parenting and housing related. Creating a supportive; non-judgemental team around the young family helps to break the cycle of trauma and build resilience in the future generation.

You will also receive regular training and learning opportunities as we support you to progress in your career. So, if you can bring your full self to work, enjoy engaging with a diverse range of people and can own your decision making we'd love you to take a look at the job pack and apply.

We welcome any questions in advance of an application, so please get in touch if there's something that matters to you that we haven't quite covered - sam.strong@taffhousing.co.uk
