FAN (Friends And Neighbours)

Make new friends and meet your neighbours!

People from every background and religion are welcome.
If you are learning English, FAN is a friendly place to practice your skills.

We talk about our lives. We listen to each other one at a time. You do not have to speak.

You do not have to pay. You do not have to book a place.

Come any week you are free!

We would love to meet you!
